PP Docket No. 93-253

Dear Mr. Caton:

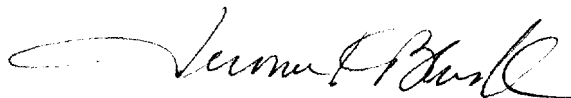

On behalf of ProNet Inc. ("ProNet") and pursuant to Section 1.1206(a)(1) of the Commission's Rules, this to advise that, on even date herewith, the undersigned counsel and Jeff Owens, Senior Vice President of ProNet Inc. ("ProNet"), held separate meetings with the following persons to discuss the Commission's interim licensing proposal in the above-referenced proceeding:

Mary P. McManus, Legal Advisor to Commissioner Ness  
Lisa B. Smith, Senior Legal Advisor to Commissioner Barrett  
Jackie Chorney, Legal Advisor to Chairman Hundt

The issues raised during these discussions parallel ProNet's Comments on the Commission's Interim Licensing Proposal, filed March 1, 1996, and its Reply Comments, filed March 11, 1996. A system map depicting the composite interference contours of a 931 MHz system licensed to Metropolitan Houston Paging Services, Inc., a wholly-owned ProNet subsidiary, was provided to the persons listed above. This map was submitted as Exhibit 1 to ProNet's March 1, 1996 Comments, and a copy is attached hereto.

An original and one copy of this letter is being submitted for inclusion in the public record.

Very truly yours,

Jerome K. Blask
